Re: Himco Landfill  
Elkhart, IN

Dear Ms. Fript:

I am writing in response to Robert J. Bowden's correspondence dated September 4, 1990 regarding the above-captioned site.

We at Truth Publishing were quite surprised to receive Bowden's letter. Would you please explain why this notification was sent to Truth Publishing, considering our correspondence of May 25, 1988 to Ms. Susan Swales.

Truth Publishing never deposited any hazardous materials in the land fill. We therefore feel no obligation to participate in any EPA expenses.

Your prompt response would be greatly appreciated. If you wish to contact me, please telephone (219) 522-1652.

Cordially,

A. Carl Tiedemann, Director
